Everywhere I go they say it's Iggy season,
Till I get what I want, baby I ain't leaving,
Every time I go out everybody wanna show out,
I see the girl in the mirror, tell her you the reason
Simmer down bitch, it's Iggy season,

I ain't worried 'bout shit, it's Iggy season,
Bad bitches scream yas, it's Iggy season
Every man needs some Azalea,

Just coz' hubby is a fan of me you understanding me mmm,
So skip the talking baby, we too busy ballin' baby,
Pedal to the metal and my engine never stallin' baby
Haters gon' hate while the critics critique,

See the sky be the limit when you're dealing with me,
