

# Birds – Imagine Dragons

Two hearts, one valve  
Pumpin' the blood, we were the flood  
We were the body and  
Two lives, one life  
Stickin' it out, lettin' you down  
Makin' it right  
Seasons, they will change  
Life will make you grow  
Dreams will make you cry, cry, cry  
Everything is temporary  
Everything will slide  
Love will never die, die, die  
I know that ooh, birds fly in different  
Directions Ooh, I hope to see you again  
Sunsets, sunrises  
Livin' the dream, watchin' the leaves  
Changin' the seasons  
Some nights I think of you  
Relivin' the past, wishin' it'd last  
Wishin' and dreamin'  
Seasons, they will change  
Life will make you grow  
Death can make you hard, hard, hard  
Everything is temporary  
Everything will slide  
Love will never die, die, die  
I know that ooh, birds fly in different  
Directions Ooh, I hope to see you again  
Ooh, birds fly in every direction  
Ooh, so fly high, so fly high  
When the moon is lookin' down  
Shinin' light upon your ground  
I'm flyin' up to let you see  
That the shadow cast is me  
I know that ooh, birds fly in different  
Directions Ooh, I hope to see you again

Ooh, birds fly in different directions

Ooh, so fly high, so fly high

Ooh, so fly high, so fly high

Ooh, so fly high, so fly high
