

Don't Be So Shy (Filatov & Karas Remix) – Imany

Take a breath
Rest your head
Close your eyes, you are right
Just lay down
Turn my side
Do you feel my heat on your skin?
Take off your clothes
Blow out the fire
Don't be so shy
You're right, You're right
Take off my clothes
Oh, bless me Father
Don't ask me why
You're right, You're right

Home, I stay
I'm in, come in
Can you feel my hips in your hands?
And I'm laying down
By your side
I taste the sweet of your skin
Take off your clothes
Blow out the fire
Don't be so shy
You're right, You're right
Take off my clothes
Oh, bless me Father
Don't ask me why
You're right, You're right

In my heart dress
Raise so much faster
I drawn myself in holy water
And both my eyes just got so much brighter
And I saw God, oh yes, so much closer

In the dark
I see your smile
Do you feel my heat on my skin?
Take off your clothes
Blow out the fire
Don't be so shy
You're right, You're right
Take off my clothes
Oh, bless me Father
Don't ask me why
You're right, You're right

Take off your clothes
Blow out the fire
Don't be so shy
You're right, You're right
Take off my clothes and bless me further
Don't ask me why, don't ask me why
Don't ask me why
