

# The Fighter – In This Moment

I don't need you to save me  
I don't need you to cure me  
I don't need you  
And your antidote  
For I am my disease

I don't need you to free me  
I don't need you to help me  
I don't need you  
To lead me through the light  
For I will always fall

And rise again  
Your venomous heroine  
'Cause I'm a survivor  
Yeah, I am a fighter

I will fall and rise above  
And in your hate I find love  
'Cause I'm a survivor  
Yeah, I am a fighter

I will not hide my face  
I will not fall from grace  
I'll walk into the fire, baby  
All my life I was afraid to die  
But now I come alive inside these flames

You don't want me to love you  
You don't want me to need you  
You don't want to look at me,  
For you will turn to stone

You don't want me to hurt you  
You don't want me to bite you  
You don't want me

Or my aching soul  
For I will only fall

And rise again  
Your venomous heroine  
'Cause I'm a survivor  
Yeah, I am a fighter

I will fall and rise above  
And in your hate I find love  
'Cause I'm a survivor  
Yeah, I am a fighter

I will not hide my face  
I will not fall from grace  
I'll walk into the fire, baby  
All my life I was afraid to die  
But now I come alive inside these flames

I don't need you to save me  
'Cause I'm a survivor  
Yeah, I am a fighter

I will not hide my face  
I will not fall from grace  
I'll walk into the fire, baby  
All my life I was afraid to die  
But now I come alive inside these  
'live inside these  
'live inside these flames
