The Fighter – In This Moment

I don't need you to save me I don't need you to cure me I don't need you And your antidote For I am my disease

I don't need you to free me I don't need you to help me I don't need you To lead me through the light For I will always fall

And rise again Your venomous heroine 'Cause I'm a survivor Yeah, I am a fighter

I will fall and rise above And in your hate I find love 'Cause I'm a survivor Yeah, I am a fighter

I will not hide my face I will not fall from grace I'll walk into the fire, baby All my life I was afraid to die But now I come alive inside these flames

You don't want me to love you You don't want me to need you You don't want to look at me, For you will turn to stone

You don't want me to hurt you You don't want me to bite you You don't want me Or my aching soul For I will only fall

And rise again Your venomous heroine 'Cause I'm a survivor Yeah, I am a fighter

I will fall and rise above And in your hate I find love 'Cause I'm a survivor Yeah, I am a fighter

I will not hide my face I will not fall from grace I'll walk into the fire, baby All my life I was afraid to die But now I come alive inside these flames

I don't need you to save me 'Cause I'm a survivor Yeah, I am a fighter

I will not hide my face I will not fall from grace I'll walk into the fire, baby All my life I was afraid to die But now I come alive inside these 'live inside these 'live inside these
