Summer Romance - Incubus

I'm home alone tonight Full moon illuminates my room And sends my mind aflight I think I was dreaming Up some thoughts that were seemingly Possible with you And so I call you on the tin can phone We rendezvous at a quarter-two And make sure we're alone I think I've found a way for you and I To finally fly free When we get there, We're gonna fly so far away Making sure to laugh While we experience Anti-gravity Anti-gravity, Anti-gravity For years, I kept it to myself Now potentialities are bound And living under my shelf Simply, choose your destination From the diamond canopy And we'll be there And so I call you on the tin can phone We rendezvous at a quarter-two And make sure we're alone I think I've found the way for you and I To finally be free When we get there, We're gonna fly so far away Making sure to laugh While we experience Anti-gravity Anti-gravity, Anti-gravity,

Oh yeah Anti-gravity, Anti-gravity, Oh yeah
