

# Walk On Water – Ira Losco

Ahh Ahh

I've been fading into grey

Trying to be someone

Trying to please someone

I've been painting bitter blue

Always hitting walls

Always trying to break the fall

I'm not perfect

But i'm a ok

Chasing off the clouds

I lock the blues away

I lock the pain away

I can't get enough of your love

I can't get you out of my heart

I can't get enough of your love

'cause i-i-i-i

Feel like i can walk on water

On water, on water

And now i'm gonna walk on

Water, on water, on water

Feels like i can walk on water

I've been trying hard to hear

What my heart wants to say

Letting it lead the way

I'm not perfect

But i'm a ok

Chasing off the clouds

I lock the blues away

I lock the pain away

I can't get enough of your love

I can't get you out of my heart

I can't get enough of your love

'cause i-i-i-i

Feel like i can walk on water

On water, on water

And now i'm gonna walk on

Ooh ooh ooh  
All i wanna do is  
Ooh ooh ooh  
Keep walking on water  
Ooh ooh ooh  
All i wanna do is  
Walk on water  
Ooh  
I can't get enough of your love  
'cause i- i-i-i  
Feel like i can walk on water  
On water, on water  
And now i'm gonna walk on  
Water on water on water  
Feel like i can walk on water
