Walk On Water - Ira Losco

Ahh Ahh I've been fading into grey Trying to be someone Trying to please someone I've been painting bitter blue Always hitting walls Always trying to break the fall I'm not perfect But i'm a ok Chasing off the clouds I lock the blues away I lock the pain away I can't get enough of your love I can't get you out of my heart I can't get enough of your love 'cause i-i-i-i Feel like i can walk on water On water, on water And now i'm gonna walk on Water, on water, on water Feels like i can walk on water I've been trying hard to hear What my heart wants to say Letting it lead the way I'm not perfect But i'm a ok Chasing off the clouds I lock the blues away I lock the pain away I can't get enough of your love I can't get you out of my heart I can't get enough of your love 'cause i-i-i-i Feel like i can walk on water On water, on water

And now i'm gonna walk on

Ooh ooh ooh
All i wanna do is
Ooh ooh ooh
Keep walking on water
Ooh ooh ooh
All i wanna do is
Walk on water
Ooh
I can't get enough of your love
'cause i- i-i-i
Feel like i can walk on water
On water, on water
And now i'm gonna walk on
Water on water on water
Feel like i can walk on water
