

# Brave New World – Iron Maiden (Madmatt Cover)

Dying swans, twisted wings  
Beauty not needed here  
Lost my love, lost my life  
In this garden of fear  
I have seen many things  
In a lifetime alone  
Mother love is no more  
Bring this savage back home  
Wilderness, house of pain  
Makes no sense of it all  
Close this mind, dull this brain  
Messiah before his fall  
What you see is not real  
Those who know will not tell  
All is lost, sold your souls  
To this brave new world  
A brave new world  
In a brave new world  
A brave new world  
In a brave new world  
In a brave new world  
A brave new world  
In a brave new world  
A brave new world  
Dragon kings, dying queens  
Where is salvation now?  
Lost my life, lost my dreams  
Rip the bones from my flesh  
Silent screams, laughing here  
Dying to tell you the truth  
You are planned and you are damned  
In this brave new world  
A brave new world  
In a brave new world  
A brave new world

In a brave new world  
In a brave new world  
A brave new world  
In a brave new world  
A brave new world  
A brave new world  
In a brave new world  
A brave new world  
In a brave new world  
In a brave new world  
A brave new world  
In a brave new world  
A brave new world  
Dying swans, twisted wings  
Bring this savage back home
