

# Ghost Of The Navigator – Iron Maiden (Madmatt Cover)

I have sailed to many lands  
Now I make my final journey  
On the bow I stand, west is where I go  
Through the night I plough  
Still my heart, calculate and pray  
As the compass swings, my will is strong  
I will not be led astray  
Mysteries of time, clouds that hide the sun  
But I know, but I know, but I know  
I see the ghosts of navigators  
But they are lost  
As they sail into the sunset  
They'll count the cost  
As their skeletons accusing  
Emerge from the sea  
The sirens of the rocks, they beckon me  
Take my heart and set it free  
Carried forward by the waves  
Nowhere left to run, navigator's son  
Chasing rainbows all my days  
Where I go? I do not know  
I only know the place I've been  
Dreams they come and go, ever shall be so  
Nothing's real until you feel  
I steer between the crashing rocks  
The sirens call my name  
Lash my hands onto the helm  
Blood surging with the strain  
I will not fail now  
As sunrise comes the darkness left behind  
For eternity I follow on,  
There is no other way  
Mysteries of time, clouds that hide the sun  
But I know, I know, oh  
I see the ghosts of navigators

But they are lost  
As they sail into the sunset  
They'll count the cost  
As their skeletons accusing  
Emerge from the sea  
The sirens of the rocks, they beckon me  
Take my heart and set it free  
Carried forward by the waves  
Nowhere left to run, navigator's son  
Chasing rainbows all my days  
Where I go? I do not know  
I only know the place I've been  
Dreams they come and go, ever shall be so  
Nothing's real until you feel  
I see the ghosts of navigators  
But they are lost  
As they sail into the sunset  
They'll count the cost  
As their skeletons accusing  
Emerge from the sea  
The sirens of the rocks, they beckon me  
Take my heart and set it free  
Carried forward by the waves  
Nowhere left to run, navigator's son  
Chasing rainbows all my days  
Where I go? I do not know  
I only know the place I've been  
Dreams they come and go, ever shall be so  
Nothing's real until you feel, oh
