

# Don't Come Easy – Isaiah Firebrace

I can tell my your eyes you want more than this  
But can we be much more beyond these sheets?  
No I don't, don't wanna mess with your head  
But my love, it's hard to love again

It don't come easy and it don't come cheap  
Been burned too many times to love easily  
Don't mistake me, my love runs deeps  
But it don't come easy, it don't come cheap  
No, not with me

I used to move in fast to erase my past  
But it never works, no, it never lasts, no  
In my mind I gotta get things right  
Take it slow before I jump this time

No, it don't come easy, no, it don't come cheap  
Been burned too many times to love easily  
Don't mistake me, my love runs deeps  
But it don't come easy, it don't come cheap  
No, not with me

And if you think I've got a heart of stone  
You couldn't be more wrong, oh...  
You might think I've been afraid too long  
Afraid of love

But it don't come easy  
Been burned too many times to love easily  
Don't mistake me, my love runs deeps  
But it don't come easy, it don't come cheap

No, not with me  
Oh... no, not with me  
Oh... don't mistake me, my love runs deeps

But it don't come easy, it don't come cheap  
No, not with me
