

# LoveWave – Iveta Mukuchyan

Hey it's me

Look, I know it might sound strange

But suddenly I'm not the same I used to be

It's like I've stepped out of space and time

And come alive

Guess this is what it's all about cause...

when it touched me the world went silent,

Calm before the storm reaches me

The ground in motion set off all sirens,

You took over my heartbeat beat beat beat

It's taking over me

You

Shook my life like an earthquake now I'm waking up,

You

Gave me faith now I can break every single wall,

You

Prove we can do it all when all is out of love,

You (oh like a lovewave)

Spread a lovewave 'n my heart goes ba-ba-da-bu-who-oh-oh

Caught in a downward spiral,

I lost my soul in my dreams

I would give up and lose all trials,

When one moment changed everything

Without even a single warning,

I'm not who I was before

A chain reaction with no returning,

Now watch me craving for more

It's taking over me

Instrumental

It's taking, it's taking over me

You (oh like a lovewave)

Shook my life like an earthquake now I'm waking up,

You (like a lovewave)

Gave me faith now I can break every single wall,

You (oh like a lovewave)

Prove we can do it all when all is out of love,

You  
Spread a lovewave 'n my heart goes ba-ba-da-bu-who-oh-oh
