

# No Matter – IZA feat. SWIATLOVSKI

I'm standing here all alone  
I just had enough  
You've said it over the phone  
You broke my heart  
All I wanted was love  
Now it's all a lie  
I need the time

Now you're holding my hand  
And begging me  
Love has come to the end  
I just wanna leave  
You say that it is over  
I can't hear a thing  
I need the time

I just don't know why I feel this way  
I see somehow  
I can't deal with pain inside  
No matter how hard I try

I just don't know why I feel this way  
I see somehow  
I want you you back in my life  
No matter how hard I try  
No matter how hard

I feel I'm falling apart  
Don't wanna let you go  
All the tears that I cried  
Mean nothing at all  
Will I ever forget you  
Will you leave my mind  
I need the time

I wanna hold your hand

I'm begging you  
Try to stop it, it's mad  
How do I get through  
My heart's bleeding out  
I need the time  
I need you

I just don't know why I feel this way  
I see somehow  
I can't deal with pain inside  
No matter how hard I try

I just don't know why I feel this way  
I see somehow  
I want you you back in my life  
No matter how hard I try  
No matter how hard

I want you to hold me tight  
No matter what you have done  
I am not gonna lie  
No matter how hard I try

I just don't know why I feel this way  
I see somehow  
I can't deal with pain inside  
No matter how hard I try

I just don't know why I feel this way  
I see somehow  
I want you you back in my life  
No matter how hard I try  
No matter how hard
