## **Bad Things - Jace Everett**

When you came in, The air went out And every shadow Filled up with doubt I don't know who you think you are But before the night is through I wanna do bad things with you I'm the kind to sit up in his room Heart sick and eyes Filled up with blue I don't know what you've done to me But I know this much is true I wanna do bad things with you Okay When you came in The air went out And all those shadows there Filled up with doubt I don't know who you think you are But before the night is through I wanna do bad things with you I wanna do real bad things with you Howuuuu I don't know what you've done to me But I know this much is true I wanna do bad things with you I wanna do real bad things with you
