

# History Repeating – Jamala

The word is about, there's something evolving  
Whatever may come, the world keeps revolving  
They say the next big thing is here  
That the revolution's near  
But to me it seems quite clear  
That it's all just a little bit of history repeating  
The newspaper shout: A new style is growing  
But it don't know if it's coming or going  
There is fashion, there is fab  
Some is good, some is bad  
And the joke is rather sad  
That it's all just a little bit of history repeating  
And I've seen it before  
And I've seen it again  
Yes, I've seen it before  
Just little bits of history repeating  
Some people won't dance if they don't know who's singing  
Why ask your head, it's your hips that are swinging  
Life's for us to enjoy  
Woman, man, girl and boy  
Feel the pain, feel the joy  
And sidestep the little bits of history repeating  
Just little bits of history repeating  
And I've seen it before  
And I see it again  
Yes, I've seen it before  
Just little bits of history repeating
