

# Naked – James Arthur

Hey, you there  
Can we take it to the next level  
Baby, do you dare?  
Don't be scared  
'Cause if you can say the words  
I don't know why I should care

'Cause here I am  
I'm giving all I can  
But all you ever do is mess it up  
Yeah, I'm right here  
I'm trying to make it clear  
That getting half of you, just ain't enough

I'm not gonna wait until you're done  
Pretending you don't need anyone  
I'm standing here naked  
(Naked, naked)  
I'm standing here naked  
(Naked, naked)  
I'm not gonna try 'til you decide  
You're ready to swallow all your pride  
I'm standing here naked  
(Naked, naked)  
I'm standing here naked  
(Naked, naked)

Hey, get out  
I've got nothing left to give  
And you give me nothing now  
Read my mouth  
If you ever want me back  
Then your walls need breaking down

'Cause here I am  
I'm giving all I can

But all you ever do is mess it up  
Yeah, I'm right here  
I'm trying to make it clear  
That getting half of you, just ain't enough

I'm not gonna wait until you're done  
Pretending you don't need anyone  
I'm standing here naked  
(Naked, naked)  
I'm standing here naked  
(Naked, naked)  
I'm not gonna try 'til you decide  
You're ready to swallow all your pride  
I'm standing here naked  
(Naked, naked)  
I'm standing here naked  
(Naked, naked)

I wanna give you everything  
I wanna give you everything  
I wanna give you everything  
I wanna give you everything

I'm not gonna wait until you're gone  
'Cause you pretended you don't need anyone  
Can't you see that I'm naked  
(Naked, naked)  
See that I'm naked  
(Naked, naked)  
I'm not gonna try 'til you decide  
You're ready to swallow all your pride  
I'm standing here naked  
(Naked, naked)  
I'm standing here naked  
(Naked, naked)  
I'm standing  
I'm standing here
