

Say You Won't Let Go – James Arthur

I met you in the dark
You lit me up
You made me feel as though
I was enough
We danced the night away
We drank too much
I held your hair back when
You were throwing up

Then you smiled over your shoulder
For a minute, I was stone-cold sober
I pulled you closer to my chest
And you asked me to stay over
I said, I already told ya
I think that you should get some rest

I knew I loved you then
But you'd never know
'Cause I played it cool
when I was scared of letting go
I know I needed you
But I never showed
But I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

I'll wake you up with some
Breakfast in bed
I'll bring you coffee with
A kiss on your head
And I'll take the kids to school
Wave them goodbye
And I'll thank my lucky stars
For that night

When you looked over your shoulder
For a minute, I forget that I'm older
I wanna dance with you right now
Oh, and you look as beautiful as ever
And I swear that everyday you'll get better
You make me feel this way somehow

I'm so in love with you
And I hope you know
Darling your love is more than
worth its weight in gold
We've come so far my dear
Look how we've grown
And I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

I wanna live with you
Even when we're ghosts
'Cause you were always there for me
When I needed you most

I'm gonna love you till
My lungs give out
I promise till death we part
Like in our vows
So I wrote this song for you
Now everybody knows
'Cause now it's just you and me
Untill we're grey and old
Just say you won't let go
Just say you won't let go

Just say you won't let go
Oh, just say you won't let go
