1973 - James Blunt

Simone You're getting older Your journey's been Etched on your skin

Simone
Wish I had known that
What seemed so strong
Has been and gone

I would call you up every Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

Simone Wish I was sober So I could see clearly now The rain has gone

Simone
I guess it's over
My memory plays our tune
The same old song

I would call you up every Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973

Singing "Here we go again"

I would call you up every Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

I would call you up every Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

And though time goes by I will always be In a club with you In 1973
