

It's a man's man's man's world – James Brown

This is a man's world,
This is a man's world
But it wouldn't be nothing,
Nothing
Without a woman or a girl
You see,
Man made the cars
To take us over the road
Man made the train
To carry the heavy load
Man made electric light
To take us out of the dark
Man made the boat for the water,
Like Noah made the ark
This is a man's, man's, man's world
But it wouldn't be nothing, nothing
Without a woman or a girl
Man thinks about our little bitty baby girls
And our baby boys
Man made them happy,
'cause man made them toys
And after man make everything,
Everything he can
You know that man makes money,
To buy from other man
This is a man's world
But it wouldn't be nothing, nothing,
Not one little thing,
Without a woman or a girl
He's lost
In the wilderness
He's lost
In bitterness
