

When you love someone – James TW

Come home early after class
Don't be hanging round the back of the schoolyard
I've been called up by a teacher
She says she can't even reach you cause you're so far
You've been talking with your fist
We didn't raise you up like this, now did we
There have been changes in this house
Things that you don't know about in this family

It don't make sense, but nevertheless
You gotta believe us, it's all for the best
It don't make sense
The way things go
Son you should know

Sometimes moms and dads fall out of love
Sometimes two homes are better than one
Some things you can't tell your sister
Cause she's still too young
Yeah you'll understand
When you love someone

There ain't no one here to blame
Nothing's going to change with your old friends
Your room will stay the same
Cause you'll only be away on the weekends

It don't make sense but nevertheless
You gotta believe us, it's all for the best
It don't make sense
It don't add up
We'll always love you no matter what

Sometimes moms and dads fall out of love
Sometimes two homes are better than one
Some things you can't tell your sister

Cause she's still too young
Yeah you'll understand
When you love someone
When you love someone

Come home early after class
Don't be hanging around the back of the schoolyard
And if we're crying on the couch
Don't let it freak you out
This has been so hard

Sometimes moms and dads fall out of love
Sometimes the best intentions just ain't enough
Some things you can't tell your sister
cause she's still too young
Yeah you'll understand
When you love someone
When you love someone
