

Łąki Łan – Jammin

I give it to you baby
I give it to you baby
I give it to you baby the woman say
I give it to you baby
I give it to you - the woman say
I give it to you - the woman say
I give it, I give it to you - the woman say
I give it to you - the woman say
I give it, I give it to you - the woman say
I give it, to you - the woman say
I give it I give it to you - the woman say
I give it, to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you - the woman say
I give it to you - the woman say
I give it, I give it to you - the woman say
I give it to you - the woman say
I give it, I give it to you - the woman say
I give it to you - the woman say
I give it, I give it to you - the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say

I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
I give it to you said the woman the woman say
I give it to you - the woman say
