

Juniper Lane – Jane Levy

Once upon a time there was a girl
Once upon a time there was a boy
Once upon a time there eyes did met
So sweet
On one magic night they fell, in love
As the moon and stars, they glowed above
All the pretty things that they spoke up
So sweet
On Juniper Lane, he held her, and told her
He'd take her away
Into the shining light of a better day
Far, far away
"Oh Bobby, she says"
"It's like a dream come true
Laying here, under the stars with you"
"And maybe, just maybe
If we wish hard enough, we can leave all
Of our sadness behind us"
So sweet
On Juniper Lane, he held her, and told her
He'd take her away
Into the shining light of a better day
Far, far away
