

# Again – Janet Jackson

I heard from a friend today  
And she said you were in town  
Suddenly the memories came  
back to me in my mind  
How can I be strong I've asked myself,  
Time and time I've said  
That I'll never fall in love with you again

A wounded heart you gave,  
My soul you took away  
Good intentions you had many,  
I know you did  
I come from a place  
That hurts and God knows how I've cried  
And I never want to return,  
Never fall again

-----

Making love to you  
Never felt so good and oh so right  
How can I be strong I've asked myself,  
Time and time I've said  
That I'll never fall in love with you again

So here we are alone again,  
Didn't think it'd come to this  
And to know it all began  
With just a little kiss  
I've come too close to happiness,  
To have it swept away  
Don't think I can take the pain,  
Never fall again

-----

Kinda late in the game and my heart

Is in your hands  
Don't you stand there and then tell me you love  
Me, then leave again  
Cause I've fallen in love with you again

Hold me,  
Hold me  
Don't ever let me go  
Say it just one time  
Say you love me  
God knows I do  
Love you, again
