

Again – Janet Jackson

I heard from a friend today
And she said you were in town
Suddenly the memories came
back to me in my mind
How can I be strong I've asked myself,
Time and time I've said
That I'll never fall in love with you again

A wounded heart you gave,
My soul you took away
Good intentions you had many,
I know you did
I come from a place
That hurts and God knows how I've cried
And I never want to return,
Never fall again

Making love to you
Never felt so good and oh so right
How can I be strong I've asked myself,
Time and time I've said
That I'll never fall in love with you again

So here we are alone again,
Didn't think it'd come to this
And to know it all began
With just a little kiss
I've come too close to happiness,
To have it swept away
Don't think I can take the pain,
Never fall again

Kinda late in the game and my heart

Is in your hands
Don't you stand there and then tell me you love
Me, then leave again
Cause I've fallen in love with you again

Hold me,
Hold me
Don't ever let me go
Say it just one time
Say you love me
God knows I do
Love you, again
