

# In silence – janet suhh

In silence, no one answers  
But I still hear your voice  
If you'd only come hold me  
If you'd only come  
Tears flow  
Sorry I'm late again  
Let them fall  
Sorry I'm late again  
In darkness, it's getting hard  
Getting hard to stand  
If you hear me, if you see me  
Won't you come closer?  
Tears flow  
Sorry I'm late again  
Let them fall  
Sorry I'm late again  
Can you just tell me once  
You'll never leave me?  
Afraid of losing you  
Will you just lay with me?  
There will be no fears  
If you only stay with me  
Bare your soul to me  
Here I stand for you  
Stop crying your heart  
Days will come for you, for us  
In silence, no one answers  
But I still hear your voice
