

Savage love – Jason Derulo & Jawsh 685

Jason Derulo, oh!

Savage love

685, baby

If I woke up without ya

I don't know what I would do

Thought I could be single forever

'Til I met you

Usually don't be fallin', be fallin', fallin' fast

You got a way of keeping me comin' back to back

I just found out, the only reason that you lovin' me

Was to get back at your ex-lover but before you leave

Usually I would never, would never even care

Baby I know she creepin', I feel it in the air

Every night and every day

I try to make you stay

But your

Savage love

Did somebody, did somebody

Break your heart?

Lookin' like an angel

But your savage love

When you kiss me

I know you don't give two fucks

But I still want that

Your savage love

Your savage love-love-love

Your savage love-love-love

You could use me

'Cause I still want that (Your savage)

Baby I hope that this ain't karma 'cause I get around

You wanna run it up, I wanna lock it down

Usually don't be fallin', be fallin', fallin' fast

You got a way of making me spend up all my cash

Every night and every day

I try to make you stay

But your

Savage love
Did somebody, did somebody
Break your heart?
Lookin' like an angel
But your savage love
When you kiss me
I know you don't give two fucks
But I still want that
Your savage love
Your savage love-love-love
Your savage love-love-love
You could use me
'Cause I still want, that your savage love
Your savage love-love-love
Your savage love-love-love
You could use me
Baby
Savage love (Oh girl)
Did somebody, did somebody
Break your heart?
Lookin' like an angel
But your savage love
When you kiss me
I know you don't give two fucks
But I still want that
Your savage love (Savage love)
Your savage love-love-love (Ooh yeah)
Your savage love-love-love
Girl you could use me
'Cause I still want that, your savage love
