

Especially for You – Jason Donovan & Kylie Minogue

(Ja) Especially for you
I wanna let you know
What I was going through
All the time we were apart
I thought of you You
Were in my heart,
My love never changed
I still feel the same
(Ty) Especially for you
I wanna tell you
I was feeling that way too
And if dreams were wings,
You know I would have flown to you
To be where you are
(Ja) Mm, no matter how far
And now that I'm next to you
(Ty) No more dreaming about tomorrow
Forget the loneliness and the sorrow
(Ja) I've got to say it's all
Because of you
(Razem) And now we're back together, together
I wanna show you
My heart is oh, so true
And all the love I have
Is especially for you
(Ja) Especially for you
I wanna tell you
You mean all the world to me
(Ty) How I'm certain that our love was
Meant to be
You changed my life
(Ja) You showed me the way
And now that I'm next to you
(Ty) I've waited long enough to find you
I wanna put all the hurt behind you

(Ja) Oh, and I wanna bring out
All the love inside you, oh
(Razem) And now we're back together, together
I wanna show you
My heart is oh, so true
And all the love I have
Is especially for you
(Ja) You were in my heart,
My love never changed
(Ty) No more dreaming about tomorrow
Forget the loneliness and the sorrow
(Ja) I've got to say it's all
Because of you
(Razem) And now we're back together, together
I wanna show you
My heart is oh, so true
And all the love I have
Is especially for you
Together, together
I wanna show you
My heart is oh, so true
And all the love I have
Is especially for you
Together, together
I wanna show you
My heart is oh, so true
And all the love I have
Is especially for you
