

I'm Yours – Jason Mraz

Well you done done me
and you bet I felt it
I tried to be chill
but you're so hot that I melted
I fell right through the cracks
I'm trying to get back
Before the cool done run out
I'll be giving it my bestest
And nothing's gonna stop me
but divine intervention
I reckon its again my turn
to win some or learn some
But I won't hesitate no more, no more
It cannot wait, I'm yours
Mmm
Mmm
Mhm
Mm
Well open up your mind
and see like me
Open up your plans
and damn you're free
Look into your heart
and you'll find love love love love
Listen to the music at the moment
people dance and sing
We're just one big family
And it's our God forsaken right
to be loved loved loved loved loved
So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours
Dddo do you, but do you, dddo, ddo
But do you want to come on

Scooch on over closer dear

And I will nibble your ear

O o o o o o o

O o o o o o o

O o o o o o o o o o o o

Mhmmmm

I've been spending way too long
checking my tongue in the mirror

And bending over backwards

just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face

and I laughed

I guess what I am saying is there

ain't no better reason

To rid yourself of vanities

and just go with the seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait I'm yours

Open up your mind and see like me

Open up your plans

and damn you're free

Look into your heart

and you'll find that the sky is yours

So please don't,

please don't, please don't

There's no need to complicate.

Couse our time is short

This is, this is, this is our fate,

I'm yours
