

I won't give up – Jason Mraz

When I look into your eyes
It's like watching the night sky
Or a beautiful sunrise
Well there's so much they hold
And just like them old stars
I see that you've come so far
To be right where you are
How old is your soul?
Well, I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
And when you're needing your space
To do some navigating
I'll be here patiently waiting
To see what you find
'Cause even the stars they burn
Some even fall to the earth
We've got a lot to learn
God knows we're worth it
No, I won't give up
I don't wanna be someone
Who walks away so easily
I'm here to stay and make the
Difference that I can make
Our differences they do a lot to
Teach us how to use the tools and gifts
We got yeah we got a lot at stake
And in the end you're still my
Friend at least we did intend
For us to work we didn't break,
we didn't burn
We had to learn, how to bend without
the world caving in
I had to learn what I got, and what I'm not
And who I am

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
I'm still looking up
Well, I won't give up on us
(no I'm not giving up)
God knows I'm tough (I am tough)
He knows (I am loved)
We got a lot to learn
(we're alive, we are loved)
God knows we're worth it (and we're worth it)
I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
