

Life is wonderful – Jason Mraz

It takes a crane to build a crane
It takes two floors to make a story
It takes an egg to make a hen
It takes a hen to make an egg
There is no end to what I'm saying
It takes a thought to make a word
And it takes some words to make an action
It takes some work to make it work
It takes some good to make it hurt
It takes some bad for satisfaction
La la la la la la life is wonderful
Ah la la la la la life goes full circle
Ah la la la la la life is wonderful
Ah la la la la
Uuuuuu
It takes a night to make it dawn
And it takes a day to make you yawn, brother
And it takes some old to make you young
It takes some cold to know the sun
It takes the one to have the other
And it takes no time to fall in love
But it takes you years to know what love is
And it takes some fears to make you trust
It takes those tears to make it rust
It takes some dust to have it polished
Yeah
Ah la la la la la life is wonderful
Ah la la la la la life goes full circle
Ah la la la la la life is wonderful
Ah la la la la
It is so
It takes some silence to make sound
And it takes some loss before you found it
And it takes a road to go nowhere
It takes a toll to make you care
It takes a hole to make a mountain

Yeah

Ah la la la la la life is wonderful

Ah la la la la la life goes full circle

Ah la la la la la life is wonderful

Ah la la la la la life is meaningful

Ah la la la la la life is wonderful

Ah la la la la

It is so wonderful

It is so meaningful

It is so wonderful

It goes full circle

Wonderful

Meaningful

Full circle

Wonderful
