So Real - Jeff Buckley

Love, let me sleep tonight on your couch

And remember the smell of the fabric

Of your simple city dress

Oh, that was so real

Oh, that was so real

Oh, that was so real

We walked around 'til the moon got full

Like a plate

And the wind blew an invocation

And I fell asleep at the gate

And I never stepped on the cracks

'cause I thought I'd hurt my mother

And I couldn't awake from the nightmare,

That sucked me in and pulled me under

Pulled me under

Oh, that was so real

Oh, that was so real

Oh, that was so real

I love you

But I'm afraid to love you

I love you

But I'm afraid to love you

I'm afraid

Oh, that was so real

Real, real, real

Oh, that was so real

Oh, that was so real

Oh, that was so real
