## Jealous of The Angels - Jenn Bostic

I didn't know today would be our last Or that I'd have to say goodbye to you so fast I'm so numb, I can't feel anymore Prayin' you'd just walk back through that door And tell me that I was only dreamin' You're not really gone as long as I believe There will be another angel Around the throne tonight Your love lives on inside of me, And I will hold on tight It's not my place to question, Only God knows why I'm just jealous of the angels Around the throne tonight You always made my troubles feel so small And you were always there to catch me when I'd fall In a world where heroes come and go Well God just took the only one I know So I'll hold you as close as I can Longing for the day, when I see your face again But until then God must need another angel Around the throne tonight Your love lives on inside of me And I will hold on tight It's not my place to question Only God knows why I'm just jealous of the angels Around the throne tonight Singin' hallelujah Hallelujah Hallelujah I'm just jealous of the angels Around the throne
