

Seoul city – Jennie

Ooh

Ooh

Ooh

Give me hug, need your love, touch my thigh

Tell me what puts you in that mind

Frame it up, draw me in, do me right

Don't you dare leave my sight

I could be, be your prize, pick me up

Flying lights, paradise

In Seoul city (ooh-ooh)

I see your soul

Seoul city

I see your soul

Yeah, yeah

Hey, ay, hey

+82, some miracle

Only listen to my general, oh-oh

He says my attitude out of control

Tell me what to do, Mr General, oh-oh

Would you make me your boss, pretty please?

Pretty please, let me ease your mind

Look at me, can you breathe? (Ah, ah)

I could give you life

Apple of, of my eye, pick me up

Flying lights, paradise

In Seoul city (ooh-ooh)

I see your soul

Seoul city

I see your soul

Yeah, yeah

Hey, ay, hey

+82, some miracle

Only listen to my general, oh-oh

He says my attitude out of control

Tell me what to do, Mr General, oh-oh
