

Ain't It Funny – Jennifer Lopez

It seemed to be like
The perfect thing for you and me
It's so ironic
You're what I had pictured you to be
But there are facts in our lives
We can never change
Just tell me that you understand
And feel the same
This perfect romance
That I've created in my mind
I'd live a thousand lives,
Each one with you right by my side
But yet we find ourselves
In a less-than-perfect circumstance
And so it seems like
We'll never have the chance
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
Oh, I wish this could be real
Ain't it funny how a moment
Could just change your life
And you don't want to face
What's wrong or right?
Ain't it strange how fate can play a part
In the story of your heart?
Sometimes I think that
A true love can never be
I just believe that
Somehow it wasn't meant for me

Life can be cruel
In a way that I can't explain
And I don't think that I
Could face it all again
I barely know you but
Somehow I know what you're about
A deeper love I've found
In you, and I no longer doubt
You've touched my heart,
And it altered every plan I've made
And now I feel that I don't have to be afraid
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
Oh, I wish this could be real
Ain't it funny how a moment
Could just change your life
And you don't want to face
What's wrong or right?
Ain't it strange how fate can play a part
In the story of your heart?
I locked away my heart
But you just set it free
Emotions I felt
Held me back from what my life should be
I pushed you far away
And yet you stayed with me
I guess this means
That you and me were meant to be
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
Oh, I wish this could be real
Ain't it funny how a moment
Could just change your life
And you don't want to face

What's wrong or right?
Ain't it strange how fate can play a part
In the story of your heart?
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
Baby, ain't it funny?
Ain't it funny how a moment
Could just change your life
And you don't want to face
What's wrong or right?
Ain't it strange how fate can play a part
Baby, ain't it funny?
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
Baby
Ain't it funny how a moment
Could just change your life?
And you don't want to face
What's wrong or right?
Ain't it strange how fate can play a part
Ain't it funny how some feelings
You just can't deny
And you can't move on even though you try?
Ain't it strange when
You're feeling things you shouldn't feel?
