Loca

Enamorada

De ti

It seemed to be like

The perfect thing for you and me

It's so ironic

You're what I had pictured you to be

But there are facts in our lives

We can never change

Just tell me that you understand

And feel the same

This perfect romance

That I've created in my mind

I'd live a thousand lives,

Each one with you right by my side

But yet we find ourselves

In a less-than-perfect circumstance

And so it seems like

We'll never have the chance

Ain't it funny how some feelings

You just can't deny

And you can't move on even though you try?

Ain't it strange when

You're feeling things you shouldn't feel?

Oh, I wish this could be real

Ain't it funny how a moment

Could just change your life

And you don't want to face

What's wrong or right?

Ain't it strange how fate can play a part

In the story of your heart?

Sometimes I think that

A true love can never be

I just believe that

Somehow it wasn't meant for me

Life can be cruel In a way that I can't explain And I don't think that I Could face it all again I barely know you but Somehow I know what you're about A deeper love I've found In you, and I no longer doubt You've touched my heart, And it altered every plan I've made And now I feel that I don't have to be afraid Ain't it funny how some feelings You just can't deny And you can't move on even though you try? Ain't it strange when You're feeling things you shouldn't feel? Oh, I wish this could be real Ain't it funny how a moment Could just change your life And you don't want to face What's wrong or right? Ain't it strange how fate can play a part In the story of your heart? I locked away my heart But you just set it free **Emotions I felt** Held me back from what my life should be I pushed you far away And yet you stayed with me I guess this means That you and me were meant to be Ain't it funny how some feelings You just can't deny And you can't move on even though you try? Ain't it strange when You're feeling things you shouldn't feel? Oh, I wish this could be real Ain't it funny how a moment Could just change your life

And you don't want to face

What's wrong or right? Ain't it strange how fate can play a part In the story of your heart? Ain't it funny how some feelings You just can't deny And you can't move on even though you try? Ain't it strange when You're feeling things you shouldn't feel? Baby, ain't it funny? Ain't it funny how a moment Could just change your life And you don't want to face What's wrong or right? Ain't it strange how fate can play a part Baby, ain't it funny? Ain't it funny how some feelings You just can't deny And you can't move on even though you try? Ain't it strange when You're feeling things you shouldn't feel? Baby Ain't it funny how a moment Could just change your life? And you don't want to face What's wrong or right? Ain't it strange how fate can play a part
