

I'm Gonna Love You – Jennifer Love Hewitt

Angel in disguise
Stories in his eyes
Love for every true heart that he sees
Was it just a lucky day
That he turned to look my way
Or is it heaven right before my very eyes
He showed me all new things
The shimmer of moonbeams
I was blind but now he's helped me see
I was lost but now i'm found
His happiness surrounds
And now I've found that
My dreams can come true
Cause I'm gonna love you
For the rest of my life
I'm holding you safe here
In this heart of mine
I can't live without you
Cause my soul would die
And I'm tellin' the truth
I'll spend the rest of my life loving you
It didn't start this way
It happened just one day
You smiled at me and I saw you differently
Now I would tremble just to be
A part of you as we
Begin a life that's sure to never end
Cause I'm gonna love you
For the rest of my life
I'm holding you safe here
In this heart of mine
I can't live without you
Cause my soul would die
And I'm tellin' the truth
I'll spend the rest of my life loving you

The rest of my life babe
Loving you
