The Power Of Love - Jennifer Rush

The whispers in the morning Of lovers sleeping tight Are rolling by like thunder now As I look in your eyes I hold on to your body And feel each move you make Your voice is warm and tender A love that I could not forsake 'Cos I am your lady And you are my man Whenever you reach for me I'II do all that I can Lost is how I'm feeling Lying in your arms When the world outside's Too much to take That all ends when I'm with you Even though there may be times It seems I'm far away But never wonder where am I 'Cos I am always by your side 'Cos I am your lady And you are my man Whenever you reach for me I'II do all that I can We're heading for something Somewhere I've never been Sometimes I am frightened But I'm ready to learn 'Bout the power of love The sound of your heart beating Made it clear suddenly The feeling that I can't go on NedIs light years away 'Cos I am your lady And you are my man

Whenever you reach for me
I'm gonna do all that I can
We're heading for something
Somewhere I've never been
Sometimes I am frightened but I'm ready to learn
'Bout the power of love
Ooh the power of love
The power of love
