

When the Rain Begins to Fall – Jermaine Jackson & Pia Zadora

Like the sand can seep right through
Your fingers so can all your days
As those days go by you'll have me
There to help you find
The way I feel with you
I know it's got to last forever
And when the rain begins to fall
You'll ride my rainbow in the sky
And I will catch you if you fall
You'll never have to ask me why
And when the rain begins to fall
I'll be the sunshine in your life
You know that we can have it all
And everything will be alright
Time goes by so fast
You've got to have a dream
To just hold on
All my dreams of love began
With the reality of
You and I believe
That all our dreams will last forever
And when the rain begins to fall
You'll ride my rainbow in the sky
And I will catch you if you fall
You'll never have to ask me why
And when the rain begins to fall
I'll be the sunshine in your life
You know that we can have it all
And everything will be alright
Though the sun may hide
We still can see
The light that shines for you and me
We'll be together
All that we can be
And when the rain begins to fall

You'll ride my rainbow in the sky
And I will catch you if you fall
You'll never have to ask me why
And when the rain begins to fall
I'll be the sunshine in your life
You know that we can have it all
And everything will be alright
And when the rain begins to fall
You'll ride my rainbow in the sky
And I will catch you if you fall
You'll never have to ask me why
And when the rain begins to fall
I'll be the sunshine in your life
You know that we can have it all
And everything will be alright
