

# I Wanna Love You Forever – Jessica Simpson

You set my soul at ease  
Chased darkness out of view  
Left your desperate spell on me  
Say you feel it too I know you do  
I've got so much more to give  
This can't die, I yearn to live  
Pour yourself all over me  
And I'll cherish every drop here on my knees

I wanna love you forever  
And this is all I'm asking of you  
10,000 lifetimes together  
Is that so much for you to do  
Cuz from the moment that I saw your face  
And felt the fire of your sweet embrace  
I swear I knew  
I wanna love you forever

My mind fails to understand  
What my heart tells me to do  
And I'd give up all I have just to be with you  
And that would do  
I've always been taught to win  
And I never thought I'd fail  
Be at the mercy of a man,  
I've never been  
Now I only want to be right where you are

In my life I've learned that heaven never waits  
Let's take this now before it's gone  
Like yesterday  
Cuz when I'm with you there's nowhere else  
That I would ever wanna be no  
I'm breathing for the next second I can feel you  
Loving me I'm gonna Love
