

## Nobody's perfect (acoustic) – Jessie J

When I'm nervous I have this thing, yeah, I talk too much  
Sometimes I just can't shut the hell up  
It's like I need to tell someone, anyone who'll listen  
And that's where I seem to fuck up  
Yeah, I forget about the consequences  
For a minute there I lose my senses  
And in the heat of the moment my mouth starts going  
The words start flowing, oh

But I never meant to hurt you  
I know it's time that I learnt to  
Treat the people I love like I wanna be loved  
This is a lesson learned

I hate that I let you down  
And I feel so bad about it  
I guess karma comes back around  
Cause now I'm the one that's hurting, yeah  
And I hate that I made you think  
That the trust we had is broken  
Don't tell me you can't forgive me  
Cause nobody's perfect  
No, no, no, no, no, no, no  
Nobody's perfect, no

If I could turn back the hands of time  
I swear I never would've crossed that line  
I should of kept it between us  
But, no, I went and told the whole world how I feel and oh  
So I sit and I realize  
With these tears falling from my eyes  
I gotta' change if I want to keep you forever  
I promise that I'm gonna try

But I never meant to hurt you  
I know it's time that I learnt to

Treat the people I love like I wanna be loved  
This is a lesson learned

I hate that I let you down  
And I feel so bad about it  
I guess karma comes back around  
Cause now I'm the one that's hurting, yeah  
And I hate that I made you think  
That the trust we had is broken  
So don't tell me you can't forgive me  
Cause nobody's perfect  
No, no, no, no, no, no, no  
Nobody's perfect

I'm not a saint, no, not at all  
But what I did, it wasn't cool  
But I swear that I'll never do that again to you, oh  
I'm not a saint, no, not at all  
But what I did, it wasn't cool  
But I swear that I'll never do that again to you, yeah

I hate that I let you down  
And I feel so bad about it  
I guess karma comes back around  
Cause now I'm the one that's hurting, yeah  
And I hate that I made you think  
That the trust we had is broken  
So don't tell me you can't forgive me  
Cause nobody's perfect, no

And I hate that I let you down  
And I feel so bad about it  
I guess karma comes back around  
Cause now I'm the one that's hurting, yeah  
And I hate that I made you think  
That the trust we had is broken  
So tell me you can forgive me  
Cause nobody's perfect, yeah, yeah, whoa

Don't tell me, don't tell

Don't tell me you can't forgive me

No, no, no, no

Cause nobody's perfect, no
