

Calling You – Jevetta Steele

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little café just around the bend

I am calling you
I know you hear me
I am calling you

{instrumental)

I am calling you
I know you hear me
I am calling you oh

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little café just around the bend

A hot dry wind blows right thru me
The baby's crying and I can't sleep
And I can feel a change is coming
Coming closer sweet release

I am calling you
Can't you hear me?
I am calling you oh
