Take Me Home, Country Roads - John Denver

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

Country roads, take me home To the place I belong West Virginia, mountain momma Take me home, country roads

All my memories gather round her Miner's lady, stranger to blue water Dark and dusty, painted on the sky Misty taste of moonshine, teardrop in my eye

Country roads, take me home To the place I belong West Virginia, mountain momma Take me home, country roads

I hear her voice in the morning hour, she calls me The radio reminds me of my home far away Driving down the road, I get a feeling That I should have been home yesterday Yesterday

Country roads, take me home To the place I belong West Virginia, mountain momma Take me home, country roads

Country roads, take me home To the place I belong West Virginia, mountain momma Take me home, country roads

Take me home, country roads Take me home, country roads
