

You're the voice – john farnham

We have the chance to turn the pages over
We can write what we want to write
We gotta make ends meet,
Before we get much older
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?
You're the voice, try and understand it
Make a noise and make it clear
Oh, whoa
We're not gonna sit in silence
We're not gonna live with fear
Oh, whoa
This time, we know we all can stand together
With the power to be powerful
Believing we can make it better
Ooh, we're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?
You're the voice, try and understand it
Make a noise and make it clear
Oh, whoa
We're not gonna sit in silence
We're not gonna live with fear
Oh, whoa
Ooh, we're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?
You're the voice, try and understand it
Make the noise and make it clear
Oh, whoa
We're not gonna sit in silence
We're not gonna live with fear

Oh, whoa

You're the voice, try and understand it

Make a noise and make it clear

Oh, whoa

We're not gonna sit in silence

We're not gonna live with fear

Oh, whoa

You're the voice, try and understand it

Make a noise and make it clear

Oh, whoa

We're not gonna sit in silence

(we're not gonna sit in silence)

We're not gonna live with fear

(we're not gonna live with fear)

Oh, whoa

You're the voice, try and understand it
