## You're the voice - john farnham

We have the chance to turn the pages over We can write what we want to write We gotta make ends meet, Before we get much older We're all someone's daughter We're all someone's son How long can we look at each other Down the barrel of a gun? You're the voice, try and understand it Make a noise and make it clear Oh, whoa We're not gonna sit in silence We're not gonna live with fear Oh, whoa This time, we know we all can stand together With the power to be powerful Believing we can make it better Ooh, we're all someone's daughter We're all someone's son How long can we look at each other Down the barrel of a gun? You're the voice, try and understand it Make a noise and make it clear Oh, whoa We're not gonna sit in silence We're not gonna live with fear Oh, whoa Ooh, we're all someone's daughter We're all someone's son How long can we look at each other Down the barrel of a gun? You're the voice, try and understand it Make the noise and make it clear Oh, whoa We're not gonna sit in silence

We're not gonna live with fear

Oh, whoa You're the voice, try and understand it Make a noise and make it clear Oh, whoa We're not gonna sit in silence We're not gonna live with fear Oh, whoa You're the voice, try and understand it Make a noise and make it clear Oh, whoa We're not gonna sit in silence (we're not gonna sit in silence) We're not gonna live with fear (we're not gonna live with fear) Oh, whoa You're the voice, try and understand it
