

Is it too late for love – John Lundvik

Hey
How you've been
I wonder do you ever think of me

Say
Am I wrong
To wonder if it could be you and me

Is it too late for love
Mhmhm

Is it too late for love
I wanna know

Is it oo late for love
I can't take no more
Is it

I could be the sun that light your dark
And maybe I would lit your world with just one spark

I could make it burn for you and me
If I could be there
I would be there

Hear me
I could be the sun that light your dark
Is it too late for love
Is it too late for love

Hear me
I could make it burn for you and me

Days came and went
But nothing ever really felt the same

Cause you
Left a space
Where eveything reminds me of your face

Is it too late for love
Mhmhm

Is it too late for love
I wanna know

I could be the sun that light your dark
And maybe I would lit your world with just one spark

I could make it burn for you and me
If I could be there
I would be there

Hear me
I could be the sun that light your dark
Is it too late for love
Is it it late for love

Hear me
I could make it burn for you and me

Is it too late for love
Is it it late for love

We could be a storm that rages on
And maybe we would own the ocean carry on

I could be the sun that light your dark
And maybe I would lit your world with just one spark

I could make it burn for you and me
If I could be there
I would be there

Hear me
I could be the sun that light your dark

Is is too late for love
Is is too late for love

Is is too late for love
Is it
