

Gravity – John Mayer

Gravity is working against me
And gravity wants to bring me down
Oh, I'll never know what makes this man
With all the love that his heart can stand
Dream of ways to throw it all away
Oh, gravity is working working against me
And gravity, it wants to bring me down
Oh, twice as much ain't twice as good
And can't sustain like a one half could
It's wanting more
That's gonna send me
To my knees
(guitar solo)
Twice as much, ain't twice as good
Can't sustain
like one half could
it's wanting more that gonna send me to my knees
woah, woah, gravity, stay the hell away from me
woah woah, gravity, has taken better men than me
how could that be?
Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Come on, keep me where the light is shining
Come on, keep me where the light is shining
