Shattered Dreams - Johnny Hates Jazz

So much for your promises They died the day you let me go Caught up in a web of lies But it was just too late to know I thought it was you Who would stand by my side And now you've given me, given me Nothing but shattered dreams, shattered Dreams Feel like I could run away, run away From this empty heart You said you'd die for me Woke up to reality And found the future not so bright I dreamt the impossible That maybe things could work out right I thought it was you Who would do me no wrong But now you've given me, given me Nothing but shattered dreams, shattered Dreams Feel like I could run away, run away From this empty heart You've given me, given me Nothing but shattered dreams, shattered Dreams Feel like I could run away, run away From this empty heart From this empty heart I thought it was you Who said they'd die for love And now you've given me, given me Nothing but shattered dreams, shattered **Dreams** Feel like I could run away, run away

From this empty heart

You've given me, given me
Nothing but shattered dreams, shattered
Dreams
Feel like I could run away, run away
From this empty heart
Oh, no, no, no
You said you'd die for me
Oh, for
Die for me
So much for your promises
So much for your promises
