

# Run – Joji

I fell for your magic  
I tasted your skin  
And though this is tragic  
At least I found the end  
I witness your madness  
You shed light on my sins  
And if we share in this sadness  
Then where have you been?  
I know you're not in love  
Like you used to be  
Guess I'm not the one  
Like you used to think  
So you just run  
I know that I'm stuck  
In this misery  
Guess I'm not enough  
Like you used to think  
So I'll just run  
You bathe in your victory  
You blew out on my fuse  
And if I took on the planet  
Will I pay my dues?  
Your love was a mystery  
Yeah my love is a fool  
And I traveled the country  
Just to get to you  
I know you're not in love  
Like you used to be  
I guess I'm not the one  
Like you used to think  
So you just run  
I know that I'm stuck  
In this misery  
Guess I'm not enough  
Like you used to think  
So I'll just run

I know you're not in love  
I know you're not in love  
I know you're not in love
