

# Roses are Red – Jon Caryl

I'll believe it when I see it  
Cause you said you're moving on  
Yeah I'll believe it when I see it  
Cause we both know you're not that strong  
It happened only just last weekend  
When you said you felt alone  
I guess I was too blind to see it  
Cause now you're only on my phone

Cause slamming doors and crying out  
I thought it'd get you back 'till now  
I didn't believe you'd ever leave me  
So please just listen to me now

Roses are red  
Violets are blue  
I don't sleep at night  
Cause I'm thinking of you  
Alone with my thoughts  
Trapped in this bed  
Know I'd give the world  
Just to see you again  
And your imperfections  
Perfectly drawn up  
But I was a fool to think  
You were in love  
So roses are red  
Violets are blue  
It's all in my head  
No matter what I do

It seems you've lost your love for me  
Even though just two weeks ago you were happy  
It seems you've lost your sympathy  
But I guess it's my fault cause I let you slip from me

Cause slamming doors and crying out  
I thought it'd get you back till now  
I didn't believe you'd ever leave me  
So please just listen to me now

Roses are red  
Violets are blue  
I don't sleep at night  
Cause I'm thinking of you  
Alone with my thoughts  
Trapped in this bed  
Know I'd give the world  
Just to see you again  
And your imperfections  
Perfectly drawn up  
But I was a fool to think  
You were in love  
So roses are red  
Violets are blue  
It's all in my head  
No matter what I do

Roses are red  
Violets are blue  
I don't sleep at night  
Cause I'm thinking of you  
Alone with my thoughts  
Trapped in this bed  
Know I'd give the world  
Just to see you again  
And your imperfections  
Perfectly drawn up  
But I was a fool to think  
You were in love  
So roses are red  
Violets are blue  
It's all in my head  
No matter what I do
