

I gotta find you – Jonas Brothers

Every time I think I'm closer to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand

I need to try to get to where you are
Could it be you're not that far

You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find you
I gotta find you
(Oh yeah, yeah, yeah)

You're the remedy I'm searching hard to find
To fix the puzzle that I see inside
Painting all my dreams the color of your smile
When I find you it will be alright

I need to try to get to where you are
Could it be you're not that far

You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find you
I gotta find you

Been feeling lost, can't find the words to say

Spending all my time, stuck in yesterday
Where you are is where I wanna be
Oh next to you and you next to me

Oh, I need to find you yeah

You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find you
I gotta find you

You're the voice I hear inside my head
The reason that I'm singin'
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find you
I gotta find you

Yeah, yeah I gotta find you
